Dear Seasonal Camper,

Each season we have difficulty in getting the pets registered for seasonal campers. In your packet there is a form to be filled out if you have a pet that will be at the campground. This means even if the pet is there only once in a while.

The last three dog bite incidents at the park were the result of a seasonal pet and in each case the dog was not registered. This of course resulted in more useless paperwork and wasted time finding out if the pet had all the shots, etc.

We have posted this form on the Web site for your information so that you can take your time and get the form completely filled out before the time comes to return your lease in March.

Thanks for your cooperation.

Dick & Troy
